# THE HEIRESS

---

Bright, playful, and the look most closely resembling a traditional up-do, this one makes a fine counterpart to the *Regal Promenade Headband* (and a ballroom reception). Moiz began by setting the entire head with a 1-inch barrel curling iron. After combing it out, he gathered a high ponytail on top of the head. He then began pinning sections of hair around the base of the pony—“it gets more artistic as you play with it,” said Moiz.
